Amendments in the Station Police Orders.

If the Madras rule regarding approved service as contained in their P. O. No 84 (p. 47) be adopted, as proposed, 197 A clauses (2) to (7) seem to be unnecessary and may be omitted. If approved, this may be pointed out to the A.S.P.

"Periods spent on leave without allowances or under suspension will be excluded from the calculation of approved service" which is Madras P.O. No 83 may be added to 197 A (1).

The other amendments which are proposed on the lines of the Madras orders are suitable and may be approved.

The revised rules referred to by the D.S.P apply to memorials to the Govt of India and to H. M's Govt, but the P.O. 325 deals apparently with memorials to the Local Govt. viz. the Resident. So it is not clear why the D.S.P proposes to incorporate the revised rules, in lieu of the present P.O. 325.

If approved, it may be suggested to the D.S.P. to incorporate the revised memorials as P.O. 325 A & 325 B, retaining P.O. 325, as it is.

I have the honour to request that the following forms may be brought on the list of printed forms required for the Police Department:-

*Specimen forms enclosed.

(1) Register of articles condemned.

3. In addition to the above forms, I would suggest the adoption of the enclosed general current Register form in lieu of the "From" and "To" Registers at present in use. This form, which has been adopted from the Madras Police Manual, is in use throughout the Madras Police. In it are entered in sequence all correspondence received from outside and those arising in the office. As this one form can satisfactorily replace the present "From" and "To" Registers, I recommend its adoption.

4. If this suggestion is approved, I would propose

(b) Delete Police Order 303 (4)

(c) In Police Order 303 (7), for the word "Registers" read "Register".

5. In anticipation of orders, I have included this form in the indent for the year 1916.

Sir,

I have the honor to invite a reference to the "Note" under Police Order 17, Clause 6, which requires that a list be kept at each Police Station showing the position and nature of the water stand-posts situated within the limits of each beat.

2. These lists are intended for use in case of fires so that the Police may know at once which are the stand-posts to which they should resort for putting out the fires. But as this knowledge is gained by the fire practice prescribed in Police Order 17, Clause 22, which is generally held once a month excepting at seasons when, on account of the heavy Consumption of water in the Civil and Military Station, the Assistant Commanding Royal Engineers considers such practice undesirable, I think the maintenance of the lists is superfluous. Moreover, the standposts are too numerous to be entered in the lists, with a majority of them situated in lanes. In these circumstances, I have the honor to recommend the cancellation of the "Note" referred

Madras P.O.83. Periods spent on leave without allowances or under suspension will be excluded from the calculation of approved service.

Cancel Clauses 2 to 7 of P.O.197 (A), and substitute the following:-

Madras P.O. 84. (2) Whether service is approved or not is a matter in each case for the decision of the Officer who deals with it. This decision should be arrived at after a scrutiny of the constable's defaulter sheet, and, if necessary, of the minutes relating to any punishments recorded therein.

(3) If the Officer is of opinion that the service is not approved, he shall withhold the grant of the increment for a stated period which shall not exceed one year. At the end of that period the Officer shall reconsider the case, and if he finds that the constable's record during that period has been good, the increment shall be granted; if not, the grant will be again postponed for another stated period not exceeding a year.

(4) An appeal-and only one-will be allowed to the Inspector-General from any second or subsequent order withholding an increment, which would have the effect of making the total period of postponement of increment exceed a year, but no appeal shall lie till the period of postponement has amounted to not less than one year.

(5) An increment of pay will take effect from the first of the month following that in which it is earned.

(6) Increments accruing during leave of any kind except privilege leave or hospital leave can be granted only on the expiry of such leave (Article 60, Civil Service Regulations).

(7) Temporary service in punitive or special forces counts for increment on transfer to the permanent establishment provided there is no break in the service. No other temporary service ranks for increment.

(8) The previous service of constables who have resigned and have been re-enlisted will not rank for increment.

(9) A constable who has retired on an invalid or on a compensation pension and is subsequently re-employed should, if his previous service counts for pension under Articles 514 and 519, Civil Service Regulations, also count such service for increments.

(10) As a punishment, constables can be deprived of increments for stated periods of not less than three months' and not more than two years' duration.

Sir, (Thro' the District Magistrate, C & M. Station, Bangalore).

I have the honor to invite a reference to item No.50 in Appendix IV of the Station Police Orders which prescribes that case diaries should be retained for a period of 10 years in the Station. As retention for such a long period is not necessary in cases finally disposed of, I would suggest that the term prescribed may be reduced, as in Madras, to a period of 3 years, and that diaries of cases which have not been fully disposed of be retained permanently. If these proposals meet with your approval, the following amendments may be made:-

No: 3632 19/8/16. Forwarded. Asst. to the Resident. 19/8/16.

(1) In P. O. 87 add as clause (6) Case diary files of cases not fully disposed of i. e. in which an accused person remains to be arrested must be retained.

(2) In Appendix IV
For "50 case diary form.....10 years.

A case has recently come to notice in a certain province in which 21 under-trial prisoners were confined in a police lock-up measuring about 9 feet square. In order to prevent risk of overcrowding in lock-ups in the Madras Presidency, the Secretary of State suggests the advisability of adopting a rule on the lines of rule No. 28-14 (copy enclosed) of the Punjab Police Rules which prescribed the maximum number to be detained in each lock-up, if it is correct that some such provisions do not already exist in the police rules in force in Madras.
